Coolidge Defends Rep. Administration

Says Country Is Being Restored to Peace-Time Conditions, Steadily, Carefully, Deliberately, Wisely.

Haverhill, Mass., Sept. 23 .- Vice President Calvin Coolidge brought from Washington tonight an official view of the present administration. He was speaking at a rally in the interest of Colony A. Piatt Andrew, republican candidate for congress in the sixth dis-

"There has not been a time in recent story when each branch of the govnment, when the president, when such house of congress kept go plainly the constitutional functions as under the present administration," he said. "There s leadership, there is advice, but the s no system of rewards and punis ments; freedom of action and narmony wevail. Steadily, carefully, deliberate-y, wisely, the country is being restored to peace time conditions not the reace time conditions of 1914, but of 1921.

All this is being accomplished with less cost, less sacrifice, less suffering, than Railrond that experienced by any other country which entered the war.

"It is on such a record of wise polley, of sound action and extraordinary accomplishment that the administra-tion asks your verdict."

He reviewed legislation and executive acts disposed of or pending, and added:

"These are sufficient of the record to

the war.

the war.

"A new era is opening up for America. The last election disclosed a wide and far-reaching dissatisfaction which extended beyond any party lines, with the management of our foreign relations and the conduct of our demestic affairs, which was broadly expressed in a determination for a change.

"It has been charged that these obligations are not being met; that the

accomplishment; that the congress he ble to extinguish in their souls the bree to the little island from which they arted as exiles destine never to return. fore it questions more difficult even that have watched the frend of events, fore deciding that this administration is hopeful that providence in its wis-lacking in accomplishments it would be might ordain that at last Ireland wise to find out what it had done."

The vice president then recited enactments, and added:

"And indeed, during these latter weeks being hearts were filled with pride when they saw the representatives of their more surprising. The president chose

DISCORD AT CONVENTION

OF UNITED MINE WORKERS Indianapolis, Ind., Sept. 23.—Delegates to the convention of the United Mine Workshrs of America were called on to-day by President John L. Lewis to take action in two Kansas strike cases that he said would declare the union holds its men to the fulfillment of their con-tracts with operators.

As zoon as he concluded a long in-sistent plea for the convention's declara-tion, Mr. Lewis was served with a fed-eral court summons showing that while he had been speaking the Horderland Coal company had sued for an injunc-tion to restrain the union in its efforts to organize the Mingo county (West ginla) field. Then turning again to 1,500 delegates, Lewis explained the suit and added:

"It is rather a coincidence that the company bases its plea on the alleged fact that we are an unlawful organization and do not fulfil our contracts.

Alexander Howat, first to address the convention, won protracted ap-
